Dear Sir:

Applicant has noted that a set of eight references has been omitted from the References Cited section on the cover page of the above-referenced patent. Applicant submitted these references to the PTO in an Information Disclosure Statement and a Supplemental Information Disclosure Statement filed on February 10, 1999, and February 11, 1999, respectively. Copies of these filings are enclosed for your convenience.

In accordance with M.P.E.P. § 609, Applicant appreciates that these references have been considered, as the same references were considered in the parent application, Application No. 08/799,838 (U.S. Patent No. 5,978,738). As the Examiner has already considered the references, Applicant respectfully requests that the Examiner return the attached Form PTO-1449 with his initials indicating that the references have been considered.

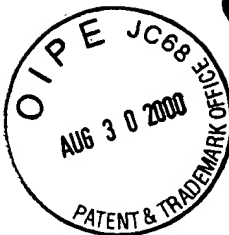

Respectfully submitted,
